- Very well organised
- Good course
- The expert panel was great
- A female perspective on work/life balance would be good
- Excellent course
- Learned lots of things that will enable me to start my consultant career
- Thanks to the organisers
- Great value for money
- Chilly
- Excellent Course
- Would be interesting to understand more about NHS and trust structure and payments from GPs to Hospitals

Comments

- An excellent and inspiring course covering aspects of transition to consultant life that I hadn't considered
- EVERY registrar should attend this
- Thanks very much
- Medicolegal would be good to have less background info and more practical examples
- Explanation of hospital management structure
- Excellent course
- Practical and relevant to my practise
- Value for money
- Very high level of speakers
- Great venue, food and entertainment
- Well done and thanks

Comments

- This course was very well organised and delivered
- Ben and Olly and all the organising team: I couldn't recommend this course more highly- extremely well thought out; content was excellent with fantastic speakers. This course has opened my eyes to life as an early consultant and found your advice extremely valuable. Many thanks for your hard work"
- Excellent course, very useful insight into aspects of medical practice that, as a trainee, you have no exposure to.
- Really useful panel discussion, helpful perspective from different clinicians and tax / legal expert. Thank you Ben and Olly

Comments

- Could we have a booklet of handouts in advance to take notes on?
- This was excellent. Thanks very much
- High yield: has made me think about things in a different way. Panel discussion excellent. I will recommend to colleagues
- Thank you for a great course. Room was a little cold.
- Really helpful and useful
- I just wanted to thank you for the course, it really was excellent and one of the more useful ones I have been to.
Lots of information and amazing speakers, particularly Prof Canter and Vanessa Sanders.
- May be interesting to get a chief exec along to talk
- Venue pretty; room a touch cold

Comments

- Excellent course with useful topics covered
- Leadership really well done and summarised
- Happy to “spread the word”
- Very good content and speakers
- Dining hall very cold
- Useful coming up to CCT
- This is a useful course with a good mixture of expertise. Prof Canter was overall the best session
