Oxbridge Medical Management Course Speakers Feedback July 2024

How would you describe this course to someone who knows nothing about it?

Good overview and important insights on consultant life

excellent course

Very good eye opener in various aspects: communication, business, job planning etc

Excellent venue, food and content. Thanks!

Great overview of all the things you never get taught but are expected to learn

Honest account of management. Leadership as an NHS consultant. Practical leadership tools shared to help embarking on consultant career.

Mindful insights into leadership. Practical tips on management. Would highly recommend to senior registrars and junior consultants who are interested.

Tells you what to do, what not to do, what to strive towards

Excellent course conveying very useful topics to help transition from trainee to consultant.

One of the most useful courses I have attended

Very insightful course for junior consultants and senior registrars on how to start private practice and different aspects of consultancy

Why would you recommend this course to a colleague?

Important to understand the key concepts of leadership/negotiation/job plans etc at this senior SpR stage 1-2 years before consultant life. Allows you to plan and think about what you would like your consultant life to look like.

YES!

To provide other colleague with more knowledge.

Excellent course. Learnt loads. Good venue, food and people

Lots of helpful information that will enable you to work smarter within the NHS.

This is an essential course for senior NHS trainees to prepare for future careers as a consultant.

It provides direction in aspects people are not able to speak of freely.

It provides information on aspects of being a new consultant that is not typically covered during training.

tips and tricks on how to be an effective leader. Finance management for private practice.
